I HAVE DONATED ON YOUR
BEHALF.....

With this generous offer you allow us to continue our primary school project, by buying desks, tables and teaching material for a total of 100 children in a deprived area of Malawi, in Mulanje district.

These will ensure the future of Around Nswadzi Primary School, as well as guaranteeing high standard facilities and first-class teaching.

Please do spread the word and help us reach even more children in the coming months and years.

Thank you once again for caring.
